Chapter 2 - Field McConnell Removes the Clinton Foundation Assholes
Subliminal segue from Chapter 1:

**IT Equipment – Blanket Purchase Agreement Marine Corps**

*All Native Solutions has a five-year BPA with the Marine Corps to provide information technology equipment at Marine bases throughout the United States and Hawaii.*

After the consciousness returned to the WMPFP he looked out on Main Street, Plum City, Wisconsin and found that all was well. He thought about his wonderful wife, Denise Irene Clarke McConnell and wondered if perhaps he and his wife should agree to be cremated at the end of their journey and be placed in the river that flows through Enniskellen, Northern Ireland.

He knew that the fact that he worked 29 hours a day could confuse or irritate people, even people he knew and loved. He was very sorry that he might be misunderstood but he realized that his CALL to serve God must be considered above everyone, even those he loved the most. Denise, Cole, Gretchen, Molly, Amy, Katie and his 7 grandchildren.

He thought back to 1965 and a song called PLEASE DON’T LET ME BE MISUNDERSTOOD. While he was googling the song, the lyrics and the biography of Eric Burdon he missed an incoming IMMEDIATE JASPAR from Agent Hamish in a location that is classified but within 3 miles of where Barry Soetoro, Punahou ’79 was born out of wedlock between a man with negroidal features and a slut. Pisser.

Kelly 199: Serco’s Bin Laden IM Patent; SACEUR Clinton Wagering With Pan Am LEO Buck, AD Letter of Marque

General John F. Kelly
White House Chief of Staff
Washington, D.C. 20528

Open letter from the Cloud Centric Crime Scene Investigators of Abel Danger

January 29, 2018

Dear General Kelly:

Please accept Brief 199 from Field McConnell – United States Marine Corps whistle-blower and Global Operations Director of Abel Danger (AD) – on Serco’s CAI private-equity group investors who allegedly equipped various patentee SWAT teams with Virtual Command Centers (VCCs) embedded in the FBI’s Law Enforcement Online (LEO) network so they could use AOL/Tencent’s (BVI) Instant messaging [IM] system and method US 8566404 B2 to inject fake news of a Bin Laden group attack on 9/11 and support Real-time interactive wagering on event outcomes CA 2460367 A1 with precise times of deaths and body counts.
McConnell claims that Serco used Nortel’s Method for efficient management of certificate revocation lists and update information US 5699431 A to block the FBI’s investigation into the 9/11 attacks allegedly coordinated through patentee AOL or Tencent IM devices by the associates of 7th SACEUR, former MGM Mirage and AOL director, the late Gen. Alexander Haig; Hillary Clinton, former United States Senator from New York, and LEO founder and former Assistant FBI Director, Oliver “Buck” Revell who reportedly rushed out onto the tarmac and pulled his son and daughter-in-law off Pan Am Flight 103 shortly before it took off from London's Heathrow airport at 18:25 hours on 21 December 1988 for a spot-fixed bombing over Lockerbie, Scotland at 19:02:50.

McConnell claims that General Haig equipped the Greek Life associates of Bill Clinton (Phi Beta Kappa) and Wilbur Ross (Kappa Beta Phi) with LEO Virtual Command Centers (VCCs) so they could bet on the outcome of the 9/11 attacks and, weeks later, could watch money ‘drift’ into their private accounts through Coordinated rebalancing by money manager portfolio management systems and a master overlay manager portfolio management system US 7729969 B1.

McConnell claims that Serco uses Revell’s Imagis face recognition s/w to track actors and victims through the federal bridge certification authority network and, in the 9/11 attacks, remind government leaders that while Clinton insiders may write SWAT team scripts, Serco (formerly RCA GB 1929) and its investment bankers control special weapons through the United States Patent and Trademark Office and therefore control the country itself!

JABS* – The Joint Automated Booking System allegedly built by Nortel Government Solutions for a secret society (Pride?) in the U.S. Department of Justice so FBI or Interpol insiders can book felons and patentee SWAT teams into snuff-film events; control crime-scene investigations and, enrich Serco’s private-equity investors including the late Alexander Haig.

Field McConnell invites you to convene a meeting with your cabinet colleagues and United States Marine Corps Major Duncan D. Hunter, Member of the U.S. House of Representatives from California’s 50th district, where McConnell can explain how Serco has embedded patentee SWAT teams into LEO and its predecessor networks to conceal insider messaging and wagering on times of victim deaths or body counts at such crime scenes as – to name just three – Pan Am 103 on 21 December 1988, New York and Washington DC on 9/11 and the London Underground on 7/7.

After meeting with Congressman Hunter and your cabinet colleagues, McConnell will be asking Congress to authorize President Trump to issue a Presidential letter of Marque and Reprisal, which would allow him (McConnell) to recruit and lead an Abel Danger Marine Expeditionary Unit of about 100 veteran Marines to seize and take the assets of any patentee SWAT teams in the custody of Serco’s private-equity groups (privateers), or shareholders or investment banker, N M Rothschild & Sons Ltd.

After the said assets have been transferred to the lawful custody of the United States’ government, McConnell’s MEU will begin to subdue the secret societies identified as Phi Beta Kappa and Kappa Beta
Phi (founded 1776) which, we allege, have been blackmailing and extorting presidents of the United States with patentee SWAT-team attacks starting no later than the arson of the U.S. Patent Office in the USA Post Office, Blodget’s Hotel, Washington, on December 15, 1836 and continuing through pre-scripted arson or bombing attacks to the present day.

Please respond before President Donald J. Trump speaks with the SOTU message tomorrow or your ass is grass and Field McConnell is the lawn mower. His sister, Kristine Marcy and Hillary ROADHOG Clinton have provide him with the evidence.

I would sign my name, but I am shaking like a leaf because I am so afraid that four women, Hillary, Kristine, Chuck Schumer and Carl Levin might injure me like they have with so many other airline pilot whistle blowers including, but not limited to, Wayne O. Witter, Dan Hanley, John Stipetich, Newton Dickson, Field McConnell and Michael Driscoll. Check six motherfuckers. Serco, you are TOAST. Agent TILLMAN
Good Morning Field,

I want to thank you David and Abel Danger for telling the truth and shining a light on all evil.

God bless you and your lovely wife Denise Irene Clarke McConnell, and I hope and pray you are reunited soon. I watch you every week. Great work! The truth is getting exposed. A shout out to Marcy and Jessie for a wonderful contribution to Abel Danger!

I have come across the information above that is stunning! I'm sure you have seen this before but wanted to ask your opinion on this piece. It sure does make sense in light of other info I have come across in the past. We have all been lied to, FOREVER! It is just mind boggling. It never stops!

Praying for your safety and hopefully, justice will come for your sister's crimes, along with ALL those involved... I think it will take years to unweave all this EVIL web that was the big picture. Justice must be served! What a time to be alive.

(I'm your age and would like to see it happen very soon) TICK TOCK!
...and the "Truth will set you free"~ That's all I want!
God is in control~

Blessings, love and light sent your way!

PS.... Your illustrator Agent HackSaw....was he ever at MacDill AFB like you were? Because if he was he would know both the TRUTH of the Jewish assassins at Spirit and those who killed Pat Tillman on 6 April, 2004. Perhaps you should do a pair of google searches.

The departure of one of the airline industry’s most successful, and wildly unconventional, CEOs shocked industry veterans and analysts alike. On Tuesday, Spirit Airlines’ board announced that director Robert Fornaro would replace CEO Ben Baldanza, 54, who’d led Spirit for a decade.

Baldanza built Spirit (SAVE, -0.34%) from a tiny startup into the nation’s leading ultra-low-cost carrier. For years, Spirit stole passengers from the beleaguered majors by brazenly proving that customers will overlook legroom-deprived, no-recline seats, and stiff fees for everything from carry-on bags to printing boarding passes, so long as the price is right.

In its press release, Spirit gave no reason for Baldanza’s exit, besides the departing CEO’s statement that he’d recently moved to the Washington, DC area, far from Spirit’s headquarters in Miramar, Florida, north of Miami. Still, the switch underscores the new reality of air travel: The big carriers are now challenging their discount rivals far more aggressively, creating a real dogfight that Spirit and the other extreme discounters will be hard-pressed to win.
No sooner had the message regarding the unsuitability of SPIRIT AIRLINES come in than another message regarding President Donald J Trump’s message of 1-3-2018 was delivered. However, it is not the policy of Abel Danger to upstage the most effective president America has seen since 11-23-1963 when GHWB, a Hunt brother, Clint Murchison Sr and LBJ and 3 others arranged the untimely passing of a PT boat skipper, whose brother, Joe Kennedy Jr was murdered in a BQ8 on 12 August 1944 by the son of FDR whose insignificant name I have forgotten. Was it Elliot Roosevelt? Can’t remember but the shitheads who killed George S. Patton and Joe Kennedy Jr so as to prevent the USA from having a legit president in 1948 are known to Abel Danger and we are re-writing history in a way that will scare and endanger the fat slob grandsons of a gin alcoholic whose bust is in Washington DC erroneously emblazoned with “World’s Greatest Statesman”. Get fucked. The global operations director of AD is the world’s greatest statesman because he has been called, by God, as in Psalm 94:16, to invite and engender Peace in the world that God created a long, long time ago not to suggest that Linda Ronstadt’s song LONG, LONG TIME is biblical.

However, Linda Ronstadt is arguably the female voice of the 1970’s. Anne Murray is notable, but for her is the unfortunate truth that Canada attacked the US on 9/11 when they were hoodwinked into being the bad asses for the totally fucked up United Kingdom. The same that United Kingdom that used Canada as a proxy to attack the village where Kim Tran Phuc became the NAPALM GIRL in 1972. Does the worthless UK government think no critical thinkers live in the USA? As Agent Chips was plotting his schedule 13 February 2018 a poorly formatted message came in from Farnborough UK.
Agent Chips, My name is not Anna Von Reitz and I am not from Wisconsin or living in the 49th state where in September, 2006 you did an unrestricted climb in a Northwest Airlines DC-10-30 where your body angle was 43 degrees nose up. However, I wish to let you know so you can inform those awake that Washington doesn’t want what the American people want. There is a deep state, shadow government, in place, a government staffed by recent appointees or hires of Obama the gay mulatto erect primate who went to your school, Punahou, at 1601 Punahou Street, Honolulu. Being a gay male prostitute with an Indonesian father and a Muslim/Islamic lack of faith should not qualify one to be president of the united states corporation but then again, the Vatican Jesuits, the city of London, the UK fake royals who killed Diana, and Serco which owns the US Senior Executive Dis-service, think they are untouchable. Fuck them. There are lots of Democrats in the bureaucracy, and lots of Republicans, who think they know better than President Trump and are willing to thwart the rule of law. However, they will awake on 31 January 2018 to a new paradigm. And perhaps a sealed indictment. Notice, for the record, that the sniveling weasels Chuck Schumer, Carl Levin, Michael Chertoff, Jay M. Cohen, Warren Buffett, Hillary FOUL BVR, William Jefferson Peyronie’s Bent Dick, Kristine Marcy, Lumpjaw McCain and that skinny faggot from Punahou ’79 who was registered as an Indonesia Muslim are not mentioned. It’s not just Republican vs. Democrat or Conservative vs. Liberal. It’s the Washington Establishment vs. the people and WE THE PEOPLE have 7 pissed off Marines who are going to step on the head of the snake as we have been ordained to do by Psalm 91:13. “For he will command his angels concerning you to guard you in all your ways; 12 they will lift you up in their hands, so that you will not strike your foot against a stone. 13 You will tread on the lion and the cobra; you will trample the great lion and the serpent. 14 “Because he[al] loves me,” says the Lord, “I will rescue him; I will protect him, for he acknowledges my name. His name is Jesus or His Father the Creator, capeche? They will go to virtually any lengths to maintain the status quo and the public corruption that erodes our Constitution. We’ve seen this with the reckless disclosure of communications intelligence information aimed at destroying President Trump’s national security advisor, Lieutenant General Mike Flynn. General Flynn is not the only flag officer watching 100% of AD Tweets. This is all part of a political smear job by the Washington establishment who are rightly terrified of President Trump and the “swamp draining” that he has promised. They are actively organizing against him and subverting the rule of law! But they are a bunch of DUMB PHUCS who don’t know how Canada was used by MEC, or as the limp dicks renamed it, AMEC. Those brain dead jerkoffs in Canada never thought anyone would realize that the two Jewish Shermans who were found hanging in Toronto were associated with Hillary Clinton’s rape of Haiti for the sum of $13.5 billion using a USAF U2 with serial number 80-1076 just as that same exact U2 was involved with the Katrina HAARPQuake in 2005. Those Canadian jerkoffs, pardon the redundancy, like Stephan GLAMOUR BOY Harper and Justin FIDEL’S BASTARD Trudeau, have been the tools used by the UK royals to fuck America, have no idea who is going to GET THEM for what they
have done. Perhaps sissy boy Harper would like to explain how his lesbo beard Lauren got to love chain saws or Fidel’s bastard would like to discuss his mother the slut who used to troll Club 54 in search of a strong crank and a weak mind, no reference to OJ Simpson intended. Fortunately, Judicial Watch aims to get to the truth behind these crimes. They filed a lawsuit against the CIA, the Department of Justice, and the Treasury Department for records on these illegal leaks! What are the odds that “filed”, “FIELD” and “fidel” would all have the same 5 letters? Sign the petition to support our lawsuit against members of the shadow government actively subverting the will of the people! With much professional respect although totally confused by your chaff…… AVR code 49

Chips missed the message because he was lost in space thinking of how his wife, Denise Irene Clarke McConnell had agreed to a June 2018 trip to Enniskillen, Northern Ireland to visit his ultimate destination where his loving wife, Denise, agreed to have both cremated remains tossed in the River Erne where on two separate occasions the cremated remains of Sid and Irene Clarke returned to God. Because Denise and Field loved each other, without condition, and wished to honor their parents Sid and Irene Clarke and Glenn and Eileen McConnell, they wished to join those in the River Erne because they could not be buried at Arlington because the corporation running the USA as a colony of the AFU UK did not recognize Field’s service to the real USA as he singlehandedly exposed Serco, US Senior Executive Service, Vatican Jesuits, evil parties behind Serco Train Wreck intending to kill GOP patriots and those behind Operation SPRAY BOTTLE who served satan and were gay homo pedophiles, the UK false royals who killed Princess Diana because she was carrying a fetus sired by Dodi and the City of London PFers. Field had expressed, in writing that if the Geriatric Goose Stepper who was consorted to Prince Phartingham or the Zionist slut from Maiden Head did not take their greasy hands off the USA by 18-1-18 then he, Field, would encourage WAR PLAN RED to target 7 iconic building in the UK. When Abel Danger sent the geographical coordinates sets of 3 of the targets to MI6 and Tomoye operatives, but the other 4 sets of coordinates were to remain secret until President Donald Trump would announce the closure of IRS and opening of an investigation into who did what to whom on 9/11. Trump was in receipt of a *Qui Tam* suit with estimated claim of between $18-54 trillion depending on the Rico statute applicability. Before he could refocus on the river Erne in Northern Ireland his Hawaii 5-0 ring tone alerted him to an incoming call from area code 757.
“Chips, this is Cookie Monster. I think in Chapter 2 you should focus on how you got the original photo of the U-2R tail number 80-1076 from the armed guarded hangar at Boriquen CGAS or as you call it Ramey. I think on a recent C2CSI radio show [www.new.livestream.com/accounts/1990801] you told the story but I think you need to get that story into your current book In The Field Of Honor to hasten the takedown of the Clinton Foundation owned by William Jefferson Rockefeller, his malodorous lesbian beard Hillary Roadhog Thunder Thighs and Webster Hubble’s fat-lipped piglet. Also, if you go to the Bittersweet Bakery please get me a dozen cookies, me love cookies. Cookie Monster”

“Cookie I will immediately turn on a dime and expose that FOUL BVR in the chapter I am currently writing. Strangely it is Chapter 2. Heading to the bakery as soon as this chapter is finished, probably within 20 minutes.”

Field was considering the extreme odds of same U-2R, 80-1076 “Dragon 21” being used to kill black people twice, 5 years apart. His recall of Katrina was robust other that the names Wade Rathke and Hillary Roadhog Thunder Thighs kept coming up like a bad burrito. He mentally sketched some items that perhaps have been misrepresented previous to Abel Danger’s sharing the items with FBI, FAA and others. Hurricane Katrina was an extremely destructive and deadly tropical cyclone that was one of the costliest natural disasters and one of the five deadliest hurricanes in the history of the United States. As Katrina made landfall, its front right quadrant, which held the strongest winds, slammed into Gulfport, Mississippi, devastating it. The storm originated over the Bahamas on August 23 from the interaction between a tropical wave and the remnants of Tropical Depression Ten. Early the following day, the new depression intensified into Tropical Storm Katrina. The cyclone headed generally westward toward Florida and strengthened into a hurricane only two hours before making landfall at Hallandale Beach and Aventura on August 25. After very briefly weakening to a tropical storm, Katrina emerged into the Gulf of Mexico on August 26 and began to rapidly deepen. The storm strengthened to a Category 5 hurricane over the warm waters of the Gulf of Mexico but weakened before making its second landfall as a Category 3 hurricane on August 29, in southeast Louisiana the state where Abel Danger has a sexagenarian lady agent know as Agent SM Hot Sauce.

The storm caused severe destruction along the Gulf coast from central Florida to Texas, much of it due to the storm surge and levee failure. The levee was breeched in 4 spots where U S military divers had placed explosives that could be triggered by remote electronic detonation just like the detonations of United Flights 93 and 175 as well as American Flights 11 and 77 in a false flag that netted the gay nazi pedophile in the wheel chair $1T as he had foreknowledge of the heinous crime that did not totally succeed in topping of the head of the corporate government that has been running the Corporation of the United States as a colony of slaves who were taxed by a private corporation called IRS for benefit of fake royals in UK and pedophiles who infested the Jesuit order of the Vatican. Severe property damage occurred in coastal areas, such as Mississippi beachfront towns where boats and casino barges rammed buildings, pushing cars and houses inland; water reached 6–12 miles (10–19 km) from the beach. The storm was the third most intense United States landfalling tropical cyclone, behind the 1935 Labor Day hurricane and Hurricane Camille in 1969 when FIELD MCCONNELLs was at Pensacola being given a ride in a T-28 as part of aviation indoc
in the summer break of his 2\textsuperscript{nd} class year at Annapolis where the Naval Academy graduated three traitors in the classes of 1909, 1931 and 1958 and strange as it may seem all three traitors were named John S. McCain. The three McInsanes were related to largest loss of Navy ships in WWII when on August 8, 1942 John S McInsane disobeyed a direct order when he failed to have his shitty pilots patrol the Savo Island channel where, one day later the Japanese navy would sink a lot of ships and killed lots of Navy personnel. His son, John McInsane would in 1967 coverup the treason of LBJ, the USS Liberty, the USS America and USS Saratoga and a submarine that Field could never remember. Perhaps it was Amberjack. Field did a mental google of a certain combo to determine the name of the submarine in position to torpedo USS Liberty. He mentally Googled [ McCain USS Liberty + Israeli Mirages + FIELD MCCONNELL].

Field went back to thinking how over fifty breaches in New Orleans's hurricane surge protection, the cause of the majority of the death and destruction during Katrina on August 29, 2005, were. Eventually 80\% of the city and large tracts of neighboring parishes became flooded, and the floodwaters lingered for weeks. According to a modeling exercise conducted by the U.S. Army Corps of Engineers (USACE), two-thirds of the deaths in Greater New Orleans were due to levee and floodwall failure. [8] All of the major studies concluded that the USACE, the designers and builders of the levee system as mandated by the Flood Control Act of 1965, were responsible. In 1965 Field was a junior at Ramey High School, Denise was born
on September 4 and Chad and Jeremy sang A Summer Song, capeche? This is mainly due to a decision to use shorter steel sheet pilings in an effort to save money. In January 2008, Judge Stanwood Duval, U.S. District Court, ruled that despite the Corps’ role in the flooding, the agency could not be held financially liable because of sovereign immunity in the Flood Control Act of 1928. Exactly ten years after Katrina, J. David Rogers, lead author of a new report in the official journal of the World Water Council concluded that the flooding during Katrina "could have been prevented had the corps retained an external review board to double-check its flood-wall designs." Of course none of the PFers knew that Field McConnell and the Dangerettes were tracking the Clintons and had been since General Hunter H Harris IV admonished Field, then a senior at Punahou where the erect primate registered as Barry Soetoro, Indonesian Muslim, and a known homosexual who enjoyed old white men for his sexual deviancy, that if Field were to graduate from Annapolis, he should never forget his integrity and he should KEEP HIS EYES ON ARKANSAS; a reference to William Jefferson Rockefeller who had round heels in Hot Springs and enjoyed servicing the Governor of Arkansas, Winthrop Rockefeller. Google this combo, I dare you.

[Winthrop Rockefeller + Bill Clinton + FIELD MCCONNELL + Abel Danger + Hot Springs]

There was also an investigation of the responses from federal, state and local governments, resulting in the resignation of Federal Emergency Management Agency (FEMA) director Michael D. Brown, and of New Orleans Police Department (NOPD) Superintendent Eddie Compass. Many other government officials were criticized for their responses, especially New Orleans Mayor Ray Nagin, Louisiana Governor Kathleen Blanco, and President George W. Bush. Several agencies including the United States Coast Guard (USCG), National Hurricane Center (NHC), and National Weather Service (NWS) were commended for their actions. The NHC provided accurate hurricane forecasts with sufficient lead time. Of course we know predicting things for ‘spread betting’ by elite pigfuckers like Clinton is easy when you have foreknowledge of the upcoming false flag attacks such as the Titanic, Katrina, 9/11 or the Haiti HAARPquake. Am I suggesting that Clintons, Michael Chertoff, Scherff’s Serco, United States Senior Executive Service and the global bankers like Rothys are responsible for mass casualty events? No, not suggesting but rather telling you. Enniskillen was the site of several events during The Troubles, the most notable being the Remembrance Day bombing in which 11 people were killed. Bill Clinton opened the Clinton centre in 2002 on the site of the bombing. The Provisional Irish Republican Army claimed responsibility for the attack. They can claim whatever they want by why William Jefferson Rockefeller use Belinda Schronach’s gas hog Lockheed 1011 TriStar to haul money to the bank in Ireland. And what else was Magna International involved in?

Speaking of Lockheed, the super-secret black operations center on that 1200-acre chunk of real estate, how many of those at Manassas know that in 1971 a midshipman at Annapolis soloed a Cherokee 140 at that Manassas airport, and why? And his supposed flight instructor whom he met with while solo student Field McConnell flew the Cherokee around taking 69, or so, photographs.
Well enough about Manassas and the spooks who met with him while he was at Quantico Marine Base in 1971 and 1972 attending Alpha Company 72. Field’s mind wandered to mentally determining what the total profit would be for the Clinton Foundation in the Katrina and Haiti “natural disasters involving both the Clinton Foundation and the U-2R tail number 80-1076. Field knew they profited $13.5B in Haiti where they harvest black children of the pedophile network exposed in Ellsworth, Wisconsin’s Circuit Court on 21 August 2014 but he was too tired to guestimate how much Clintons and The Web Hubble Foundation may have profited on the event. Death toll estimates ranged between 50,000 and 200,000.

Field so tired he harked back to his ULTIMATE DESTINATION where his cremated remains will be delicately placed into the River Erne by Denise Irene Clarke McConnell who would wonder, to herself, what are the odds that Field’s Urn would be emptied into the River Erne. Denise smiled to herself as she recalled her husband often was regarded as a cunning linguist. Field and Denise knew that the town’s name comes from the Irish: Inis Ceithleann. This refers to Cethlenn, a figure in Irish mythology who may have been a goddess. Local legend has it that Cethlenn was wounded in battle by an arrow and attempted to swim across the River Erne, which surrounds the island, but she never reached the other side, so the island was named in reference to her. It has been anglicised many ways over the centuries – Iniskellen, Iniskellin, Iniskillin, Iniskillen, Inishkellen, Inishkellin, Inishkillin, Inishkillen and so on.[3]
The town's oldest building is Enniskillen Castle, built by Hugh (Maguire) the Hospitable who died in 1428.[4] An earthwork, the Skonce on the shore of Lough Erne, may be the remains of an earlier moat. The castle was the stronghold of the junior branch of the Maguires. [5] The first water gate was built around 1580 by Cú Chonnacht Maguire, though subsequent lowering of the level of the lough has left it without water. The strategic position of the castle made its capture important for the English in 1593, to support their plans for the control of Ulster; this was achieved by a Captain Dowdall in February 1594. Maguire then laid siege to it and defeated a relieving force at the Battle of the Ford of the Biscuits at Drumane Bridge on the Arney River. Although the defenders were relieved, Maguire gained possession of the castle from 1595 to 1598 and it was not finally captured by the English until 1607.

This was part of a wider campaign to bring the province of Ulster under English control; the final capture of Enniskillen Castle in 1607 was followed by the Plantation of Ulster, during which the lands of the native Irish were seized and handed over to planters loyal to the English Crown. The Maguires were supplanted by William Cole, originally from Devon, who was appointed by James I to build an English settlement there. Was Field’s son named for William Cole? Depends on who is asking, capeche?

Captain Cole was installed as Constable and strengthened the castle wall and built a "fair house" on the old foundation as the centrepoint of the county town. The first Protestant parish church was erected on the hilltop in 1627. The Royal Free School of Fermanagh was moved onto the island in 1643. The first bridges were drawbridges; permanent bridges were not installed before 1688.

By 1689 the town had grown significantly. During the conflict which resulted from the ousting of King James II by his Protestant rival, William III, Enniskillen and Derry were the focus of Williamite resistance in Ireland, including the nearby Battle of Newtownbutler.[6]

Enniskillen developed not only as a market town but also as a garrison becoming home to two Regiments. Enniskillen and Derry were the two garrisons in Ulster that were not wholly loyal to James II. Enniskillen was the last town to fall before the siege of Derry. As a direct result of this conflict, the UK crown has been snatching and seizing land for hundreds of year but that will end as Trump, AVR and Field form a mighty trinity to deploy the truth at 9 p.m. on Tuesday, 30 January, 2018.
If you’re gonna talk the talk... You first gotta walk the walk!

Field McConnell, USMC has the “Right Stuff” to make the assertions that he has for over 12 years now regarding the usurpation of our nation's government by hostile foreign corporations.

Whether or not President Donald J. Trump avails himself to McConnell’s years of research remains to be seen.
Field wondered to himself if Trump would be taking his Qui Tam offer to pay the entire debt of the US. Of course, Field’s body was stuck in January, 2015 even though his mind and his information would play well if the future president to replace the erect gay male pedophile from Punahou could be a man with an IQ of 154 and had big balls which is easy when one is working for God, Himself. Returning to his own ultimate destination he thought to himself “The IRS tells me I will die at 82 and Genesis in the Bible tells me I will die at 120 so you are correct I am not going anywhere except Molly's for a pancake and UK to see Denise next week. The book will be done Sunday before the Super bowl. Some people will not enjoy or survive my accuracy and direct manner. I remember the Viet Nam napalm girl Phan Thị Kim Phúc, a precious little soul, burned because the UK used a Canadian proxy AMEC to corrupt the target coordinates that the USAF fast-fac used to mark the target for Viet Nam Air Force T28s that dropped the napalm and injured this child of God. Pay-back is a mother fucker and I am bringing in in Chapter 2, page 14.

Transitioning seamlessly from thoughts of death to the more encouraging thoughts of birth like that of his grandson Cooper, 11-13-17, he arranged some facts to share with the Trump Administration just in case some day, say 3 years later, he might have the ear of POTUS 45 instead of POS 44. His thoughts did encourage him as he remembered:

1. You begin your life as "one of the free, sovereign, and independent people of the United States"---- a Virginian, Minnesotan, Texan, etc....

2. While still a baby in your cradle, "uniformed officers" conscripted into the U.S. Army --- who appear to be civilian doctors, improperly seize upon your name and estate and coerce your Mother to sign a False Information to the effect that you are a "US citizen"--- the same political status you would have if you were a Puerto Rican, born in Puerto Rico or one of the other Insular Territories, like Guam.

3. This status as a "Territorial Citizen" obligates you to serve the government and obey its every whim, to be defined as a "taxpayer" and subjected to Selective Service, and to need a license---which is official permission to do something that is otherwise illegal--- like getting married or traveling in your car from Point A to Point B. It also subjects you to the foreign British Equity Law and Territorial Court System, which is rigged against you so that British-affiliated Bar Association members can rule against you 97% of the time via the abundant use of their "judicial discretion".

4. Throughout your life these vermin misinform you, either deliberately or in ignorance themselves, and tell you that you "have to" have a Social Security Number, you "have to" have a Driver License, you "have to" have a Marriage License, and you obediently do what you are told. Every time you do, you again unwittingly confirm that you are a "US Citizen" and effectively bear False Witness against yourself and against your own interests, just to get along and survive in this ugly horror show world they have created.

5. Here is the first take home message, campers! You are NOT a "citizen" of anything. Citizens serve the government. Nationals have the government serve them. So which one are you? Are you paying them or
are they paying you? And if they are paying you, what is that payment based upon, if not your own hard work and years of paying taxes you never actually owed?

6. In effect, you have been kidnapped and trafficked into a United States Territory, and never told about this change in your official political status. You've been subjected to the Queen of England and the debts of the British Crown Corporation and if you woke up enough to complain they slammed you into one of their very own rigged courts where they could rape and pillage you and your name and your estate some more.

7. But how could this be? How could this happen? How could nobody know about this? Well, they never told your Mother, and you were too young to know anything about it when it happened, so why would you have any inkling that this is so? You couldn't know. You couldn't even complain about it. And the dirty rotten vermin planned it that way.

8. So here you are, transported on paper, to Puerto Rico....without a clue and without a paddle to get home, stuck in THEIR foreign political status, subjected to THEIR foreign law, stuck paying THEIR foreign taxes, suffering through THEIR foreign bankruptcies, and living in THEIR "territorial" reality. And this is all being done to you by what appears to be your government, but it's not. It's THEIR government, which is supposed to be acting under a contract called The Constitution of the United States of America to protect you and your rights.....

9. So how do they get around their contractual obligation to honor and serve, and instead pillage and plunder? They just pretend not to know that you are an American from one of the American nation-states. After all, your Mother said you were a "U.S. Citizen"---- she just didn't know which "U.S." they were talking about and wasn't told, either. And then you came along like a good little dweeb and signed up for Social Security, and everyone knows---- Title 42 plainly states-- that this program is only for federal employees and dependents and political asylum seekers. Well, then! You must have sought political asylum, right? In Puerto Rico, no less. I hear the climate is nice there.

10. Who knew? The Gubmint knew. The black-hearted, treacherous cheats in Washington, DC---they knew. That's how they were getting all the gravy. The Joint Chiefs of Staff--- they knew. That's how they paid for their newest whiz-bang jet fighters and germ warfare programs and everything else. The Clintons, Billy and Hillary, and Jimmy and Ronnie and both Georges and Mr. Obummer--- they all knew. Everyone on THEIR side of the fence knew and they used to laugh at you poor idiots stumbling around, still thinking that you were living in America. They called you "sovereign citizens"--- a deliberate oxymoron, and thought you were too stupid to ever get the joke. They called you "livestock" and treated you that way, too.

11. And if you are NOT mad enough to spit, if you are not angry to the core, if you are NOT ready to get on your feet, then you still aren't getting the drift of what has been done here. Go back to the top and read slowly again, remembering that these are people on your payroll doing this to you and your sons and daughters.
12. But, you say, they are Americans, too. How could this be? Surely, they wouldn't subject themselves to all these things? They wouldn't live like slaves at the mercy of their own employees? Of course, not. They had to leave themselves an out, didn't they? Well, here it is, black and white, the Foreign Sovereigns Immunity Act of 1976. You, my dears, are all "foreign sovereigns"--- from THEIR perspective. Oh, they admit that you are in fact sovereign. They can't avoid that. They just pretend that you gave it all away and "volunteered" to be treated as a Puerto Rican and a debt slave and whatever else they wanted to say about you---while they privately retained all their own rights and prerogatives as lawful sovereigns on American soil. You should see Bill Clinton's claim of copyright to his own name and estate. He left nothing out. Not as much as a comma.

13. So, if you are sovereign on American soil and you are owed the guarantees and protections of The Constitution of the United States of America, how is it that you are still being chased around by THEIR bill collectors? Thought to be part of THEIR bankruptcy? Harassed and addressed by THEIR courts? Well, remember, all this bullshit is military. Remember the sentry asking for the password? And if you don't know the password he can shoot you? Right? It's the same thing. You have to give them MANDATORY NOTICE that you are exempt and immune, a Foreign Sovereign (with respect to them) per the Foreign Sovereigns Immunity Act of 1976.

14. And then you start taking names and checking dates and you start holding these vermin feet first to the fire. You start telling them the truth--- that they have no right to address you. You should also form up your lawful County Jural Assemblies and elect your land and soil jurisdiction Sheriffs, set up your Jury Pools, elect your American Common Law Justices of the Peace. Many of you have been asking--- if Hillary broke the law and endangered national security and Obama illegally spied on Donald Trump for political purposes----why are these crooks still walking around? It's because they are claiming to be Foreign Sovereigns on American soil. These lousy pirates have beat feet back home and sought the protection of the political status they have stolen from others. The only way to bring them to justice is for all of us to wake up and remember who we are.

15. Most Americans are peaceful, even docile people. They want to live and let live, mind their own business, work hard and play hard. Most Americans want and ask nothing much from the government, except to be left alone and maybe some pothole-filling duty. But THEY won't leave us alone because THEY want to steal from us. THEY want to continue commandeering our lawful government. THEY want to call the shots and rule over the rest of us. THEY have their cozy little fraud machine and their bogus two party political system all set up. THEY have their "corporate government" and their "corporate military" and THEY would just as soon forget all the old folks back home.

16. It's time to jack them up. Clear to the ceiling. And all these Bar Association members? It's time to tell them where to get off. Way off. Who do they think they are? Who asked for the services of a British Court on American soil? What country do they think they are in? Is this really just Greater Puerto Rico? Or is
this about to become America again? With a big, flat, heavy foot stomped down on the Queen of England and all her busy, little, perfidious minions?

HERE IT IS: MANDATORY NOTICE!!!! WE ARE AMERICAN FOREIGN SOVEREIGNS RETURNING TO OUR SOIL. WE NEVER REALLY LEFT IT, SO DEATH AND DAMNATION TO ANYONE WHO CLAIMS OTHERWISE. (ed, you know like the pig fuckers at Infernal Revenue System, American Bar Association and North Trust which are all three private corporations serving the face royals and the real pedophiles in Vatican. You know, those identified in AV8’s presentation on pedophilia that was videotaped in Milton Keynes UK on Saturday, 20 May 2017)

Thinking back to 9/11 and the Qui Tam, Field questioned to himself what POTUS 45 would say in the State of the Union Address some three years and 11 days hence. Which reminded him that the US Marshals would be serving a claim in the Eau Claire Wisconsin Federal Court, more properly the equity court. He mentally reviewed the 46-page document as he wondered if US Marshals would participate in the SERCO TRAIN WRECK.

Field was thinking to himself that if he had not been on the front page of the Fargo Forum on 12 September, 2001 he would not be such a powerful witness when the investigation of 9/11 may be undertaken by a POTUS with big balls. Like himself.
